Two specialty divisions, Kitchen Views and National Millwork, further augment the services brought to our contractor customers.

***We are very excited with the addition of this new National Lumber location in Boscawen, New Hampshire and the continued service of Tibo's employees whom you've known for so long.*** We fully intend to continue the fine tradition of personalized service and high quality that has built the Tibo and Steenbeke names for so many years. ***We will add the great range of inventory, design, engineering, operational efficiencies and unsurpassed delivery that have become the hallmark of National Lumber.*** We have already begun restocking the Boscawen location to make sure we have what you need, when you need it.

Enclosed you will find National Lumber's Credit Application. ***Please fill out both sides and sign where indicated*** so that we can ***continue your credit privileges without any interruption.*** If you prefer to expedite the process, ***immediately*** fax both sides of the application to 508-915-4727 or e-mail it to [mcosta@national-lumber.com](mailto:mcosta@national-lumber.com).
