Kitchen Views at National Lumber Promotes Brandy Souza

MANSFIELD, MA. January 26, 2017 — Continuing the tradition of promoting from within the company, National Lumber is proud to announce the promotion of **Brandy Souza** to **Vice President of Kitchen Views**. Souza will continue to report directly to the company President, Manny Pina.

Brandy began her career interning for Paul Brent, a world renowned seaside architect and artist. After her internship, she graduated with a degree in Architectural Design and Construction Technologies and began working with general contractors, designing homes and managing residential projects. She combines her technical expertise with a fine eye for design and a commitment to customer satisfaction.

Brandy has been with Kitchen Views since 2005, starting as a designer in National Lumber’s New Bedford location. In March 2014, she was promoted to General Manager of Kitchen Views. She has consistently shown strong leadership and a determined attitude to improve every situation with tact and graciousness. Her amazing design acumen has been demonstrated through the beautiful and state-of-the-art Kitchen Views’ showrooms across New England.

Brandy is a member of the NKBA and on the editorial advisory board for Kitchen and Bath Business Magazine. A sought after expert for her design and materials expertise, Brandy has been interviewed and quoted in articles for Boston Home Magazine, New England Home Magazine, Rhode Island Monthly, Design New England, and more. Brandy enjoys sharing her expertise through articles posted on the Kitchen Views blog, available at kitchenviews.blog. With readers and followers from around the world, homeowners are drawn to Kitchen Views at National Lumber for the product knowledge and design insight provided.

National Lumber has been serving the New England area since 1934. Now in its third generation, this family owned and operated company is led by co-CEO siblings Steven Kaitz and Margie Kaitz Seligman, and company president Manny Pina. With divisions that include Kitchen Design, Engineering, Drywall, Installed Insulation, Millwork, and Truss & Wall Panel Manufacturing, National Lumber is qualified to provide building solutions to those in New England and beyond.
