Lead Safe Practices: Lead in Construction (2 hours)

If you only need the 6-hour course (CS-8002), you can register for Day 2 only.

Phil Sheehan of CSI New England offers top-quality OSHA and CSL Renewal Courses for Massachusetts Contractors. Whereas most people can find CSL renewal material boring, Phil uses his humor and experience to bring the material to life. Best of all, CSI New England offers the most affordable price around for 12 CEU training and OSHA Training alike: \$199

To reduce the training cost to you, this training company does not provide refreshments or meals.

You are welcome to bring your own and use the kitchenette facilities next to the training room.
