The undersigned, who hereby represent that he/she/they have authority to execute this Agreement on behalf of the customer/applicant ("Customer"), acknowledge and agree to the following terms in consideration of extension of credit by BFS Group LLC ("Company") :

1. That Customer shall pay all invoices within 30 days and understands that an account established hereby will not be an installment or a revolving account. In regard to payments made by credit card, the undersigned agrees and acknowledges that Company may impose an additional fee for processing for commercial accounts. Company reserves the right to post payments as they deem fit, unless otherwise directed. It is hereby acknowledged and agreed that Company shall have the exclusive and unilateral right, with or without notice, to set-off any amounts due and payable to Customer from any source against any balances due by Customer to Company. It is understood and agreed that any payment(s) by any person(s) and/or entity(ies) other than Customer for any materials sold by Company to Customer pursuant to this Agreement shall not be deemed to be a release of Customer's obligations under this Agreement and Customer shall remain liable for all materials sold and delivered under this Agreement that remains unpaid. 2. That any person(s) authorized to be on the premises and/or performing labor upon the premises shall be deemed to be Customer's agent to accept and receive materials delivered unless otherwise advised in writing. Due to Company's general delivery schedule of 6:00 am to 6:00 pm, Company is authorized to leave the materials on the premises if no one is there to accept and receive same. It is understood and agreed that Company shall in no way be responsible for the disposition of materials after delivery of materials to the premises. Moreover, Company shall not be responsible or liable to Customer, or any of its agents, servants, or employees, assigns, or subcontractors, for any delay, non-delivery, or default in shipment in whole or in part for any reason or cause. 3. That Customer shall pay a service charge of one and one-half percent (1½%) per month, compounded, or the highest rate permitted under the law in the jurisdiction in which this Agreement is performed, on any balance remaining unpaid after the last day of the month of the month that follows purchase(s). 4. That if Customer's account is placed in the hands of an attorney for collection, including an in-house or company attorney, Customer agrees to pay reasonable attorney's fees and all costs of collection. 5. It is understood and agreed that all credit agreements and personal guaranty agreements executed by any persons previously involved or associated with Customer entity, or its predecessors, shall remain in full force and effect.

It is understood that this application and agreement shall be utilized by Company for the extension of credit to this Customer by Company whenever that may occur and that these terms herein will govern whether Company extends credit. Furthermore, it is understood and agreed that Company may seek credit information regarding Customer, and/or its principals, officers and managers from a credit reporting service before extending credit and at other times thereafter from time to time to assist Company in its evaluation of Customer's credit situation. This Agreement shall be binding upon the undersigned, his/her/its administrators, executors, heirs and assigns.

This Agreement is intended to cover any and all of Customer's accounts with Company, including related accounts, or those accounts in the name of any agent or related entity, including any accounts opened by Company subsequent to this Agreement and shall cover all extensions of credit even if in excess of the credit line requested. All the terms and provisions of all pages/sides of this document are a part of this Agreement to which Customer and any guarantors, agents, servants, and/or employees, acknowledge and agree to be bound thereby by accepting any consideration from Company, including the extension of credit. This Agreement shall be the entire agreement between the parties and supersedes all representations or conditions contained in any other previous agreements, and/or purchase orders, and the terms of this Agreement shall supersede any contradictory or inconsistent or additional material terms by any subsequent agreement between the parties unless and until Company expressly consents to such terms and such consent is in writing and signed by an officer or duly qualified agent of Company.

The transactions contemplated herein are commercial transactions. In consideration of Company extending credit, Customer and all Guarantors waive all rights to notice and hearing on a prejudgment remedy as provided in Chapter 903a of the Connecticut General Statutes as amended pursuant to 52-278f of the Connecticut General Statutes. It is understood and acknowledged that this Agreement and any disputes arising from the sale and delivery of lumber and building materials, including specially ordered materials, whether sold on credit or otherwise, shall be governed exclusively in all respects by the laws of Connecticut. Further, it is hereby agreed and acknowledged that any and all claims, disputes or controversies whatsoever arising from or in connection with this Agreement and the sale and delivery of lumber and building materials, including specially ordered materials, whether sold on credit or otherwise, shall be commenced, filed, and litigated exclusively, if at all, before a state court of proper jurisdiction located in the Commonwealth of Massachusetts. Moreover, Customer, and on behalf of all employees, servants, agents, or guarantors, hereby waives any right to a trial by jury. Any damages recoverable by Customer against Company for alleged defective materials shall be limited to replacement value of the materials and by any manufacturer warranty. It is understood and agreed that Customer waives 1) the right to recover any consequential damages against Company relative to any breach by Company; and, 2) any claims against Company resulting from any delays or disruption in the delivery of materials.
